Why do we need an Strategic Highway Safety Plan?

# PUERTO RICO'S STRATEGIC HIGHWAY SAFETY PLAN

Every Action Counts

Every Day Counts

and today is the day to reflect on how law enforcement, federal and state government, industry, academia and organizations can work together on a share vision... a share body of knowledge... so that... everyday, at the end of the day...every one gets back home safely.

**Don't forget,  
Working Together Toward Highway Safety...  
We will be able to Save More Lives**
